### **Distribution Agreement concerning Software for Casinos**

Angel Gaming Co., Ltd. (formerly Angel Japan Co., Ltd.) (“Angel”) sells high-quality Angel brand playing cards and other items to casinos on a global basis and distributes products manufactured by other companies to casinos over the world.

In December 2019, Angel and SenSen Networks Limited (“SenSen”) entered into an Exclusive Distribution Agreement for the resale of certain software products for casinos (the “Agreement”). However, on 1 July 2020, SenSen made a press release at the Australian Stock Exchange announcing that the Agreement has been terminated. In response, Angel has notified SenSen in writing that its termination of the Agreement is invalid.
